**\* Not to exceed 10% of original equipment cost.  
(First and last payment to be paid in advance.)**

Call us with any questions regarding rates. We take care of collecting all the necessary financial information and documenting the deal.

***YOU SELL THE EQUIPMENT... LET TIGER DO THE REST.***

Multiply the rate factor listed times your equipment cost to determine the monthly payment for the term desired. The monthly payment for a forty-eight month,

\$40,000 transaction with a \$100 purchase option would be \$1,064.

(\$40,000 x .0266 = \$1,064)
