may also phone or fax your request.

Use Tiger Leasing's LeaseQuote™ 2.0 to instantly generate a customized leasing proposal for your client. Our LeaseQuote™ utilizes a simple Excel spreadsheet. Just type in the equipment cost and you're done! LeaseQuote automatically calculates monthly payments for lease terms from 12 to 60 months. It's quick and easy and:

- LeaseQuote™ is free
- LeaseQuote™ can be customized with your Company's logo.
- LeaseQuote™ is a phenomenal closing tool. Have your client sign your customized LeaseQuote™ proposal – and your transaction, with terms already agreed – is closed and ready to go!

What people are saying about LeaseQuote™:

"What a great closing tool! Thanks!"

"It's a great tool. I used it to create a point and click calculator to do my costing."

"What a useful tool. Forwarded it to the President of our Company to distribute to all the reps."

"Great idea! – I'm including it in all my proposals to my customers.!"
